Post-Task Questionnaire D

	Reflecting on how you feel RIGHT NOW, after completing the task:										
		not at all				some					a lot
1)	How much are you worrying about the number of errors you made?	○	○	○	○	○	○	○	○	○	○
2)	How much are you worrying about the number of times you responded slowly?	○	○	○	○	○	○	○	○	○	○

	Reflecting on how you feel DURING the task (not right now):										
		not at all				some					very/a lot
3)	How much attention did you pay to responding accurately?	○	○	○	○	○	○	○	○	○	○
4)	How frustrated did you feel after making an error?	○	○	○	○	○	○	○	○	○	○
5)	How anxious did you feel after making an error?	○	○	○	○	○	○	○	○	○	○
6)	How much attention did you pay to responding quickly?	○	○	○	○	○	○	○	○	○	○
7)	How frustrated did you feel after making a slow response?	○	○	○	○	○	○	○	○	○	○
8)	How anxious did you feel after making a slow response?	○	○	○	○	○	○	○	○	○	○

Out of all trials on the task:

9) How many do you think were errors?

    none   50%   100%

(Place a mark on the scale above)

10) How many do you think were slow responses?

    none   50%   100%

(Place a mark on the scale above)

11) Compared to others, how many more/fewer errors do you think you made?

    many fewer   about the same   many more

(Place a mark on the scale above)

12) Compared to others, how much more/less frequently do you think you responded slowly?

    much less frequently   about the same   much more frequently

(Place a mark on the scale above)
